

The new rubbers entering LARC 2017B appear in ***bold italics***, whilst other changes appear in **bold**, and both are **valid with immediate effect**. Racket coverings that are withdrawn, now appear on the last page and are valid until **31 December 2017**. So don't forget to check the last page of the LARC if you cannot find the racket covering you're looking for.

How to acknowledge a racket covering from LARC:

1. Make certain that you have the correct LARC (see date of validity, it is published twice a year, in April and October. Pdf files to be found on our website at all times: ITTF.com).
2. The supplier and brand names as well as the ITTF logo and eventually ITTF number should be clearly visible on the rubber.
3. These names should appear in the LARC and the moulded branding area should match the image on ITTF.com.
